Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the city of Pittsburgh's Reaching Out on The Streets (ROOTS) overdose response program in Fiscal Year 2023. The entity to receive funding for this project is the City of Pittsburgh located at 414 Grant St, Pittsburgh, PA 15219. This project is a valuable use of taxpayer funds as it will create designated team of health and community service professionals to help those who have overdosed get the services they need to get treatment and rehab. EMT's cannot deal with the entirety of an overdose patients' needs and this program can help get people into treatment and help save the city on health and emergency operations costs as well as getting people back into the community. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely

Mike Doyle

Member of Congress
